

Uli Holmes

May 2021 Guest Speaker

Employed by the City of Parramatta Council, Uli Holmes is best known for her role in tourism. A member of the Institute of Australian Tour Guides (Sydney), Uli undertook studies at the Northern Sydney Institute of TAFE, completing a Certificate IV in Tourism (Guiding) as well as a Diploma of Tourism. Her aim, during her studies, was to become a tour guide.

The courses that she undertook had her researching the history across Sydney landscapes, as well as learning how to guide tours, how to look after a group of people, and one aware of the pitfalls to avoid.

Her passion for history and geography and her interest and focus in the tourism industry was perfect for her role as our City of Parramatta Host and Guide in promoting Parramatta's history to our community and our visitors.

Uli loves interacting with people across cultures, she is fluent in both German and English.

Uli works across a number of different locations within the Parramatta LGA which includes the Visitor Centre, Visitor Service outlets, local bush reserves and parks. As a team member of the Cultural Heritage and Visitor Services Team, Uli works with the team cross functionally to contribute to the development of Council services.

You will be hooked on the surprises Uli has to share about our local government area of Parramatta.
